ON HAND DECEMBER 31, 1914

W. S. ALLEN SECRETARY OF STATE

DES MOINES  
ROBERT HENDERSON, STATE PRINTER  
1914

STATE OF IOWA,

OFFICE OF SECRETARY OF STATE,  
DES MOINES, DECEMBER 31, 1914.

*To His Excellency, George W. Clarke, Governor of Iowa:*

Sir—In accordance with the provisions of section 126-d of the supplement to the code, 1907, I have the honor to herewith transmit my report of the state documents and publications delivered to this department and the number of each now on hand.

Some complaint has been made in the past that the publications have been permitted to accumulate in the Document Department instead of being distributed over the state as contemplated by the statutes authorizing their publication. During the last biennial period an earnest effort was made to remove this cause of criticism and I am pleased to state it has met with entire success. The documents have been sent to every section of the state where called for or where it was thought the people would be interested in them. Especially has this been true of the ones particularly under the control of the Secretary of State.

At the present time the number remaining on the shelves or in storage is not greatly above the reserve list but sufficient, as I believe, to meet all future requirements.

Respectfully submitted,

W. S. ALLEN,  
*Secretary of State.*
